INSTRUMENT XI: THE DIGITAL INFRASTRUCTURE & E-RESIDENCY FRAMEWORK ACT, 2026

(Enacted in the First Year of the Reign of Margrave Albrecht I)

BRIEF SUMMARY:

This statutory instrument formally establishes the digital sovereignty, electronic infrastructure, public cryptographic key authority, and digital residency framework of the Sovereign Margraviate of Danuvius. Operating as Part XI of the foundational legal framework, this Act regulates the issuance of state-backed digital identities, secure electronic signatures, digital registries, and virtual sovereign services.

Instrument XI: The Digital Infrastructure & E-Residency Framework Act

(11 Albr. I)

AN ACT to establish the digital infrastructure of the Sovereign Margraviate of Danuvius, to provide for the creation and regulation of state digital identity and E-Residency schemes, to authenticate electronic signatures, and for connected purposes.

BE IT ENACTED by Our Sovereign Hand, in this first year of Our Reign, with the advice and consent of the High Council of the Realm, as follows:

PART I: PRELIMINARY AND DIGITAL SOVEREIGNTY

1. Short Title and Citation
(1) This instrument may be cited as *The Digital Infrastructure & E-Residency Framework Act, 2026*.

(2) In all formal legal records, this Act may alternatively be cited by regnal reference as *11 Albrecht I* (the eleventh statute enacted in the reign of Margrave Albrecht I).

2. Declaration of Digital Domain Sovereignty
(1) The Sovereign Margraviate of Danuvius exercises full sovereign jurisdiction over its digital infrastructure, networks, databases, domain names, cryptographic keys, and electronic registries.

(2) All servers, data centres, and digital repositories operated or certified by the Crown shall enjoy state privacy and sovereign immunity under the protection of the Crown.

Margravial Chancery of Danuvius

PART II: THE E-RESIDENCY SCHEME

3. Establishment of Danubian E-Residency
(1) There is hereby established the Danubian E-Residency Scheme, administered under the authority of the Margravial Chancery.

(2) E-Residency grants a foreign individual or digital entity a secure, government-issued digital identity, enabling access to the Realm's administrative services, corporate registries, and financial environment without conferring full physical citizenship.

4. Issuance and Authentication
(1) E-Residents shall be issued a unique Digital Subject Identifier (DSI) and a state-certified cryptographic key pair upon successful vetting and background verification.

(2) An E-Residency card or digital certificate issued under this Act shall remain the property of the Crown and may be suspended or revoked by the Chancery for cause.

PART III: ELECTRONIC SIGNATURES AND DIGITAL REGISTRIES

5. Legal Validity of Qualified Electronic Signatures
(1) A Qualified Electronic Signature (QES) verified through the sovereign root certification authority of Danuvius shall carry identical legal effect, admissibility, and force as a handwritten signature under Danubian law.

(2) Contracts, statutory declarations, corporate filings, and state applications executed via QES shall be recognised across all courts and public offices of the Realm.

6. The Public Digital Register
(1) The Chancery shall maintain a centralised, tamper-evident digital ledger containing official records of state statutes, corporate entities, land titles, and registered E-Residents.

(2) Access to public data shall be regulated to protect personal privacy while ensuring high standards of transparency.

Margravial Chancery of Danuvius

PART IV: COMMENCEMENT

7. Commencement

This Act shall take effect immediately upon Royal Assent and signature by the Sovereign in this inaugural year of Our Reign.

Given under Our hand and the Great Seal of the Margraviate of Danuvius, this 4th day of May, 2026, being the first year of Our Reign.
